

Lyrarakis wine tour and tasting

- Arriving at the winery, guests will have the chance to enjoy the Cretan scenery with the vineyards. Starting from the winery's **open-air vine museum**, guest will learn about the indigenous varieties of Crete, observe their differences, get informed about their cultivation practices, and how the Cretan terroir can affect their growing and their taste.
- Following, the tour will continue in the winery's **cellar** where wine ages in oak barrels learning about the vinification process and the history of Lyrarakis wines.
- The guests will then get even further into Cretan wine by exploring the Cretan wealth of aromas and flavors in a wine-glass, by enjoying a **private guided tasting of 6 different wines** made with the forementioned varieties
- Guests can enjoy their wine experience to the fullest by pairing the wines with a selection of Cretan delicacies including:
 - Variety of rusk bread, olives, and sun-dried tomatoes
 - Every 4 persons: Cretan cheeses and ham platter
 - Personal dish: Bulgur with vegetables, baked potato with sauer milk and herbs, barley rusk bread (dakos) with cretan soft cheese and tomato
